SoleMat®

THE STATION MAT

The Station Mat is a great long-term solution for comfort and durability.

It offers a strong vinyl top made of a long lasting material and a safe, non-slip surface that greatly reduces the risk of falls

An intelligent solution to increase worker safety, motivation, and productivity.

9/16"
Thickness

FEATURES & BENEFITS

- Durable abrasion resistant vinyl top bonded to a low-density PVC sponge.
- Exclusive Fusion technology molecularly bonds layers together without the use of adhesives.
- Excellent puncture resistant surface.
- Applicable to many different work environments, eg. Packaging areas, pharmacies, industrial workstations, manufacturing facilities, and more.
